## RE: LETTER OF SUPPORT & COLLABORATION

Aloha Mālamalama Directors,

The Hawaii Farmers Union United ("HFUU") is a voice for farmers, ranchers and fishermen throughout the Hawai'ian Islands and to empower our members to earn a prosperous living through regenerative stewardship of our lands, waters and communities. We enthusiastically support our Haleakala Chapter helping the students and graduates (single mothers, college-age youth and veteran women) of the Sustainability Training Program and collaborating with Mālamalama.

We also authorize use of our logo and name for placement on Mālamalama's website recognizing HFUU and our Haleakala Chapter as local Supporter and Collaborator

We look forward to collaborating with you to restore sustainable living practices and more independent and empowered youth and families in our community, especially to those interested in pursuing farming as a career.

Hawaii Farmers Union United

Vincent Mina, President
