PARTNER ORGANIZATION LETTER

Sylvia Cenzano
Málamalama Farm and Center
Haiku, Hawaii

Dear Sylvia Cenzano:

As a long-standing professional working with the youth of Maui in leadership development, college preparation mentoring and working with many diverse groups of youth in both public and private Hawaiian educational systems, I support you and your important and necessary work with youth of all ages to empower them and enhance their leadership skills.

As a parent raising a young child on Maui with the desire to have more organic farming initiatives for youth, I support you and your work on this personal level as well.

I commit to participating in and supporting the 2016 "The Wholesome Truth of Food and Family - Community Empowerment for Local Foods Sustainability" project, for the time period of September 30, 2016 to September 29, 2019 in the following way(s):

- I will announce the website name **LocalFoodsMaui** and forward any and all information you provide to me to my email and social media network.
- I will also share the information with other parents and professionals in the educational field with a personal message.

Your work with youth empowerment and leadership development on Maui is crucial for the future of our island. I wish you great success and look forward to partnering with you on initiatives over the next several years.

Sincerely,

Alison Somilleda
Youth Leadership Manager and Maui Parent
