PARTNER ORGANIZATION LETTER

Sylvia Cenzano
Málamalama Farm and Center
Haiku, Hawaii

Dear Sylvia Cenzano:

As you know I am a long-time farmer on Maui, insisting on only the finest of foods to use in my catering business. I have grown and used my own foods for over 20 years now. I am a firm believer that greater access to local foods in our community is needed, as well as the support of new farmers, especially younger ones! And I support your project which I am hoping you will be able to start right at the end of September...soonest.

I commit to participating in and supporting the 2016 "The Wholesome Truth of Food and Family - Community Empowerment for Local Foods Sustainability" project, for the time period of September 30, 2016 to September 29, 2019 in the following way(s):

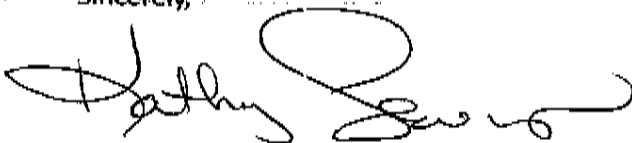

I will be happy to share recipes I have now, and as I come by them, using local foods for use on your website.

I will support your food events with my catering services. I will reserve the dates as soon as you have them to ensure I am available to fully support a good presentation of our local foods.

I will regularly and on an on-going basis circulate information about your project and the website you will be creating to my social media following.

I and any staffing or contract individuals and my organizations agree to abide by the management plan contained in the application.

Sincerely,

Kathy Lewis
